Hi David and Marie! I represent McDonald's and I would like to request a meeting with the Councilman.

I would bring in the West Coast Government Relations Manager for McD's, as well as several McD's owner/operators and crew members.

The meeting would be for general introductory purposes, and to discuss doing business in the City. We would also appreciate the opportunity to educate the Councilmember about what McDonald's is doing in his district (with regards to jobs, tax revenue, and community involvement), as well as about some of the nutritional changes McDonald's has made to its menu recently.

We would of course appreciate a meeting at the Councilman's convenience, but we will already have folks organized for a series of meetings the afternoon of September 6. Would the Councilman by any chance be available to squeeze us in that afternoon any time after 2 pm?

Please let me know if you need additional information from me and thank you for your consideration!

Veronica
